your future begins here*

Welcome to CareerZone

CareerZone is the place to learn about your skills and talents and to explore many exciting careers in New York State.

Or This...

The screenshot shows the homepage of the CareerZone website. At the top, there is a navigation bar with several menu items: "STEM for TEENS" (highlighted in yellow), "ASSESS YOURSELF", "MY PORTFOLIO", "SEARCH", "RESOURCES", and "HELP". On the left side, there is a vertical sidebar with links: "About", "FAQ", "Find a Trainer", "What's New", "Privacy Statement", and "Site Map". The main content area features a large green graphic with the text "welcome to careerZONE" and the tagline "explore your career path your future begins here". Below this, there is a row of six colorful icons representing different career paths: a yellow icon with a pencil and circles, a purple icon with a globe, a blue icon with gears, an orange icon with a medical symbol, a green icon with a hand holding a leaf, and a red icon with a fingerprint and a book. At the bottom of the main area, there is a "Welcome to CareerZone" section with the text: "CareerZone is the place to learn about your skills and talents and to explore many exciting careers in New York State." The background of the main area shows silhouettes of people walking.

Student Management System

Did you know?
Many of the highest paying jobs today are in the medical, legal, engineering, and computer fields.

Personal Info
01 Keep your information up to date and get the most out of CareerZone.

Interest Profiler
02 Need to know what career might be right for you? Enter some activities, and get suggestions of occupations to explore.

Journal
03 Keep track of your past to help you make decisions about your future.

Abilities
04 What are you good at? Keep a list to get a jump on writing a resume.

Job Readiness Skills
05 Find an occupation that matches the skills you already have and learn about other skills you would like to obtain.

School Classes
06 Keep track of which courses you are taking and how you feel about them.

Areas for Growth
07 No matter how great you are, there's always room for improvement. Identify where you need to grow, and get some suggestions to help you do it.

Final Activity
17 You'll be graduating soon, and moving on to new experiences. Stop and admire how far you've come so far by describing the school activity that best displays your career development accomplishments. Your career path will be a long one. It's been a long road to get this far, and you'll keep walking it for the rest of your life.

Annual Review
18 It's important that your education be a team effort. You did your part, now use this section to keep track of the rest of the team. Check off who took part in the annual review and when they did it.

Life Skills
08 Whether you learned life skills in school, on the playground, or even at work, this section will explain how and where they developed.

Saved Occupations
09 Create or review a list of occupation titles that interest you the most.

Future Goals and Dreams
10 What do you want to do when you grow up? Compare your saved occupations head to head and explore them further.

After School Activities
11 The classroom isn't the only place that you can learn and grow. List any extracurricular or leisure activities that helped you become who you are today.

Community Service
12 Civic minded and responsible? You should be proud of working to make a difference. Keep track of all your good deeds and volunteer work experiences here.

Work Experience
13 Keep track of your jobs, and the responsibilities and accomplishments you had there. This will be really handy when you create a resume.

Messaging
M Send messages to managed users.

Management
MG Configuration options for managing users.

Reporting
RP Run reports on your managed users.

View Career Plan
CP Bring it all together! See a print ready summary of all your work.

Resume Builder
R Bring it all together! Create a resume and land a job.

Work Importance Profiler
14 Identify and explore occupations that you may like, based on what you are looking for and what different occupations can offer you.

Colleges
15 Keep track and visit the webpages of the colleges you have selected to add to your portfolio.

Education History
16 Keep a record of your educational accomplishments, past and present, then choose which ones to include on your resume.

Management System Enables:

- Viewing of student Portfolio contents
- Sending secure messages to students
- Resetting passwords
- Generating reports of system use

System Reports would include:

- Modules completed by students
- Completers by class
- Date completed
- Student record with name, username and grade level

What else should system report?
