Tips & Tools

An Amazing Chart...

Do you want to know the differences between personalization, differentiation, and individualization? Click on the following link and you will be able to see in chart-form what those differences are! [Amazing Chart](#)

Need to Spice Up Your Presentations?

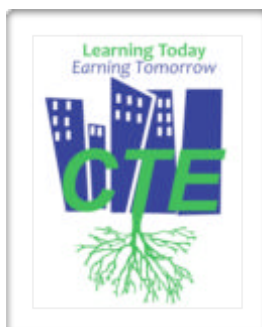

Are you tired of using the same old presentation tools? Do you wish you could learn something new and present your materials in a totally different way? If so, check out this site with 40 sites and apps to spice up your presentations. [40 Sites and Apps](#)

NEWS YOU CAN USE...

Could digital badges become the new resume builder for our students? This is a topic being explored by various organizations, companies, and the government. Check out this interesting concept here:

Hiring 2013 college graduates seems to be a little bit more difficult in some respects. A new study just recently released by the Society for Human Resource Management points to college graduates lacking critical skills such as professionalism, business acumen, writing skills, etc. See the slide show (or download it to show your administrators) at the link below and pay particular attention to slides 4, 5, 17, and 18.

Motivational Quote of the Month

I have come to believe that a great teacher is a great artist and that there are as few as there are any other great artists. Teaching might even be the greatest of arts since the medium is the human mind and spirit.

—John Steinbeck
